

Complex Conditionals

And how to crack them

Basics

- If..... -> Then
 - Should -> Then
 - Condition 1 -> Condition 2
-
- If I drink milkshakes all day, I will fall sick.
 - Unless I do this task, I will not be able to do the next

Now, the types

- 0 – Zero – No controversy
Statement of fact
- 1 – First Conditional
Future implications
- 2 – Second Conditional
Hypothetical timeline, improbable, vaguely possible.
- 3 – Third Conditional
Unreal, utterly impossible

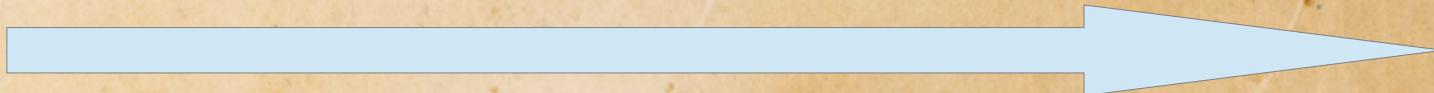

Let's Navigate the Multiverse

Zero

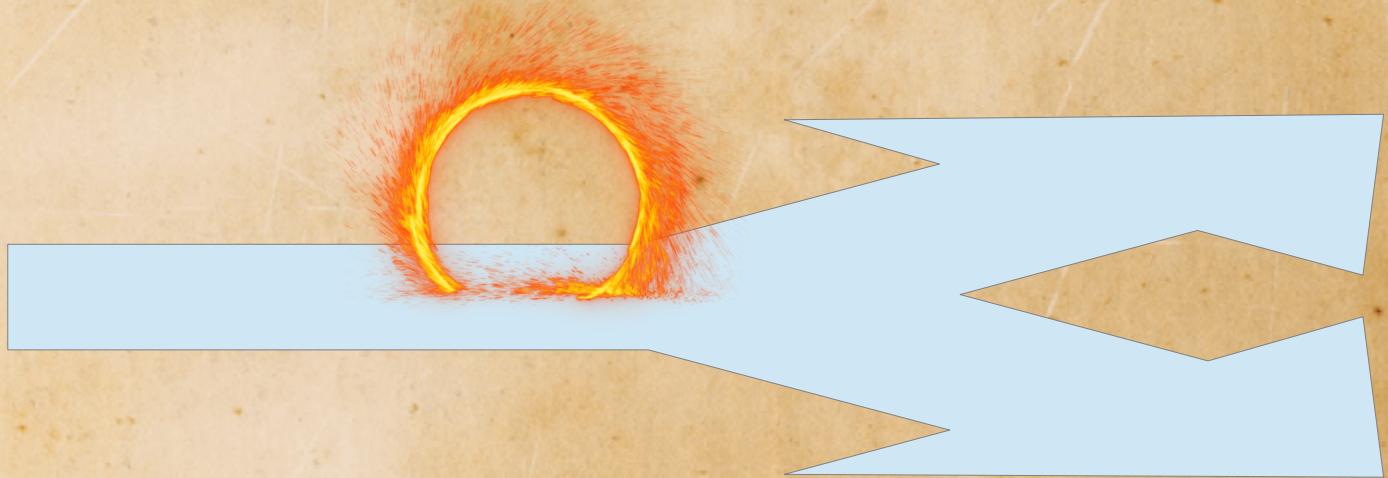

- If you eat beans, you gain protein.
- If you chew ice, you experience brainfreeze

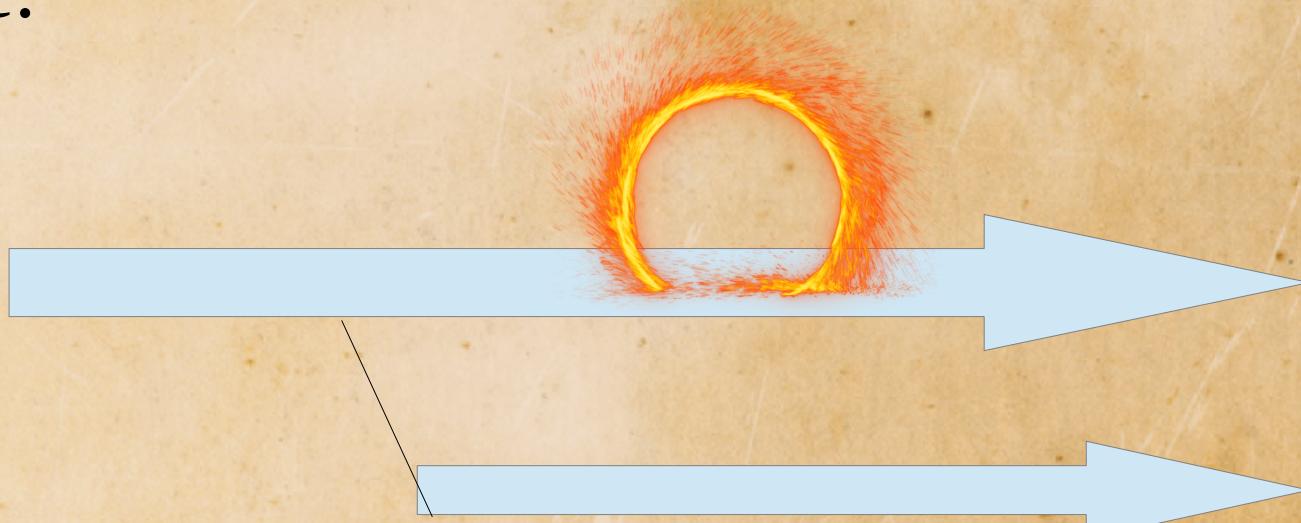

First

- If you cool water, it will become ice.
- If you drink this, it will make you feel dizzy... or stronger.

Second

- If you ate this salad last night, you could beat the monster.
- If I drank the Polyjuice Potion, I could become anyone.

Third

- If I had slept earlier, I could have woken up earlier.
- If you had drunk more water, you would have become a cucumber.
